

ABSTRACT CONTENT GUIDELINES

The abstract submission is integrated into the [registration form](#). Authors are required to complete all relevant fields within the form.

The abstract must include the following elements:

- **Title**
- **Authors**
- **Affiliations**
- **Corresponding author's email address**
- **Abstract text (maximum 300 words)**
- **Keywords (3–5 keywords)**

Note: You can directly transfer the information into the form by copying and pasting it from another document. The font style and formatting are automatically standardized within the form; therefore, there are no technical formatting restrictions.

POSTER CONTENT GUIDELINES

Dimension: **70 cm x 100 cm, portrait orientation**

The poster should include the following sections: **Introduction, Materials and Methods, Results and Discussion**, and **References**

All text must be written in a **clear and readable font**. Please ensure that the content is concise and logically structured.

Figures, tables, and graphical results must be of **high quality and sufficient resolution**, clearly visible and easy to interpret. All images and results should be large enough to be read comfortably from a reasonable viewing distance.

ORAL PRESENTATION GUIDELINES

Oral presentations should not exceed **10 minutes**. An additional **5 minutes** is allocated for questions, if any.

Presentations must be submitted no later than **one day before the scheduled presentation date (27.05.2026)** to the following email address: drustvonabotanicari@gmail.com. Please ensure that your presentation file is clearly labelled with the presenter's name.
